NOTE: Due to the lapse in federal government appropriations during October 2025 the Labor Force and Unemployment Statistics and the Current Employment Statistics will not be available. With the release of January 2025 substate labor force and unemployment statistics on March 21st, the Labor Market Information Center of Job Service North Dakota began using revised metropolitan and micropolitan statistical area geographic delineations based on 2020 Census results. For North Dakota, the Bismarck metropolitan area was affected by a delineation change with the subtraction of Sioux County and now consists of three counties (Burleigh, Morton, and Oliver).

Bismarck	\$3,921,575	\$3,187,216	\$34,862,504	\$29,213,439
Mandan	\$800,074	\$710,727	\$5,991,775	\$6,843,768

NOTE: 1) The figures above represent sales tax REPORTED for the month indicated. The actual sales tax collection occurred in previous months.  
2) Sales tax returns are due at the end of each month which causes large monthly swings especially when months end of weekends. Using year-to-date collections helps mitigate these swings and DEC present a more accurate view of any real change that is occurring than would any given months collection comparison. In 2025, for the months of May and June the North Dakota Office of State Treasurer does not show reported Sales Tax Collections for City of Mandan.
